We had a very successful draw last season, with two Ayr businesses, Alan Johnstone Builders and Simpson & Shaw, scooping the top two prizes, here's what Alan Johnstone and Stephen Simpson had to say:

*"As a lifelong fan I was priveleged just to enter the shirt sponsor draw, but to win and see my name on the back of Ayr jerseys gave me an immense feeling of pride, even more so for the televised cup and play off matches which really highlighted the logo."*

**ALAN JOHNSTONE**

*"Once again we are pleased to have our name associated with Ayr United Football Club. To win the 2nd prize sponsorship last year was an added bonus. To have our name on the Players' shorts is excellent advertising and lets our customers know that we support our local team."*
