

PANDA PALS 1000

Help support this fantastic new community initiative which aims to introduce a new generation of Under 12 supporters to Ayr United and help the Club raise funds to help fund it's 2nd Division promotion push in the forthcoming season.

Panda Pals 1000 is an Ayr United fans driven initiative which aims to raise funds, which will be used to purchase Panda Pals season tickets. These will be distributed free of charge to young supporters participating in the Ayr United Football Academy community programme. Other groups will be added as well depending on the final donations raised.

The Club want to encourage younger supporters and with this exciting plan the Panda Pals 1000 group hope to deliver 1000 new young fans through this scheme.

Each ticket costs £15, so for every £15 donated by individuals, groups and businesses, one new young supporter will be introduced to Ayr United.

Double benefit for everyone contributing

As well as having the pleasure of helping achieve the above aim you can have the double satisfaction of knowing that the Club will use all funds raised to strengthen the playing budget in the hope of securing promotion in the new season.

Weekly totals in our strive to the 1000 target will be posted via the Club website, and local media. On completion of the scheme everyone contributing will be acknowledged in the Club programme, website and on the Panda Pals facebook page.
